1:00 PM Time Trials for Tour Mods

We will start 22 cars and 2 Provisionals

- *12 Cars Qualify through Time Trials
- *10 Cars Qualify through Consi's (Consi laps are TBD)
- *2 Provisionals selected by Sponsor
- *Pit Box Selection will be based off FASTEST TIMES in Time Trials
 - Top 12 select first
 - Consi qualified cars will pick in order as they finish the consi
- *All Pit Boxes will be numbered
- *Top 12 qualified drivers will draw for invert on front stretch at intermission.

Race Procedure:

Tour Mods – 200 Laps

Tires:

- *Each Team is allowed up to 8 tires – Track Compound M20's or M30's
- *Tires will be marked by Officials
 - *4 Time Trial Tires will be marked in the staging area prior to entering the track
 - *4 Change Tires will be marked at the scale at Intermission
- *You must Time Trial on the tires that are marked
- *For Consi you can run any 15" Hoosier tire compound
- *If you qualify through the Consi you must start the race on your marked Time Trial Tires
- *All modifieds must scale before the feature. You will be called to the scales in order!

Pit Road Info:

- *Cautions Count in the first 75 laps
- *No Tire Changes in first 75 laps unless flat on rim or bent wheel, Track Compound must be a scuff – no stickers
- *Laps 76 to 150 You can pit and change tires with your marked change tires
- *Laps 151 to 200 – No tire changes unless flat on rim or bent wheel
- *Watch Turn 1 for **Pits Open Sign – no pitting unless sign says open**
- *You cannot enter onto the raceway in corner 2 unless you are instructed to do so by the Official
- *You can make adjustments to cars throughout the race

LUCKY DOG – first car one (1) lap down, provided that car did not cause the caution

MANDATORY GAS STOP AT LAP 100

- *Cars will line up on the front stretch
- *2 Crew Members allowed on track
- *You can only take out a funnel, zues tool, fuel and catch can
- *If you touch anything on your car other than to refuel you will start at the rear of the lapped cars

Cautions:

- *Live Pits for Laps 75 through 150 – watch for PITS OPEN SIGN
- *If you bring out the caution 3 times you may be black flagged and parked for the day
- *When a caution comes out the Head Scorer will instruct all cars to get single file so the Head Scorer can get cars lined up into position
